10 January 2021

Dear Parent/Carer/Wider Community

Tring School 'Career Profiles'

As part of our Careers Education programme, the Enhancement team want to create as many 'Career Profiles' as possible for our students to use as inspiration for years to come. We would like to get a large range of career profiles to cover a variety of sectors, exposing our students to the diverse range of careers that are available for them to explore. We would really appreciate your help in sharing some information with us which we will use to create these profiles.

With an ever-changing career climate, the aim of the 'Career Profiles' is to provide our students with the opportunity to:

- understand all the different jobs available to them when they leave education
- research career paths
- consider subjects/courses they may choose for GCSEs, A-Level, College and University
- network and communicate with professional people
- learn about the labour market
- discuss what the world at work is really like

This is all part of the wider career programme we deliver at Tring School and the new careers website. We will use the information you provide to populate a 'Career profiles' which will sit on our Careers website and will play a key role in our Virtual Careers Fair. We usually host the Careers Fair in Desborough Hall in February with a range of stalls covering different jobs, however, this year due to the pandemic, we would like this event to go virtual in some capacity. The more information we can provide the students, the richer their experience.

We would, therefore, love for any parent, carer and any member of the wider community who has a passion for their career and a willingness to inspire our students to fill in the Google Form attached. We would really appreciate it if you are able to pass this on to any relatives or friends who you feel may also be happy to help. As mentioned we would like to cover a range of careers from all sectors so all jobs are welcome.

If you have any questions at all please do not hesitate to get in touch.

Yours faithfully

Chris Curry
