3. Ongoing and recent homework tasks

Ongoing and recent homework tasks

Showing **6** homework tasks due within the next 7 days or the last | **8** tasks in total | [View full list of homework tasks](#)

Due	Subject	Title	Guidance time	Set
Today	MFL Spanish	Revision links	30-60 min.	Wed, 07 Feb 2018

This is where students and parents will be able to access homework that has been set. Clicking on the individual homework piece will display the full details.

After the deadline has passed the homework piece will remain displayed in the '**Ongoing and recent**' list for 1 day after the due date and then it will move to the 'Homework History' list.

If the piece of homework is overdue and the student has missed the deadline date then the homework task will move immediately to the 'overdue homework' list.

4. Detailed Progress

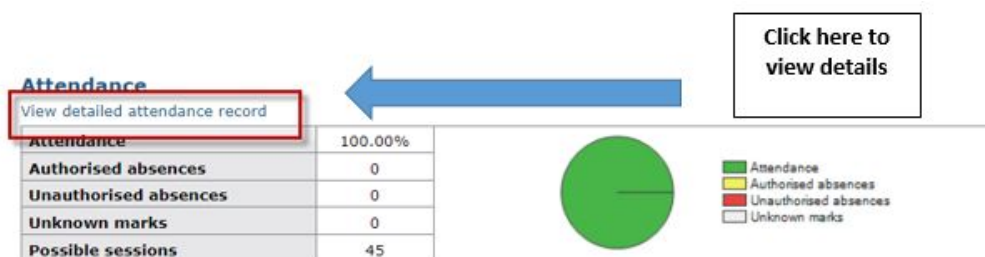

Detailed progress

Subject	Y10 EPG	AVERAGE	Breakdown
---------	---------	---------	-----------

This is where you can see the end of year expected progress grade and the Average grade. At different points in the year, depending on the year group, you will also see exam results, teacher prediction grades, etc.

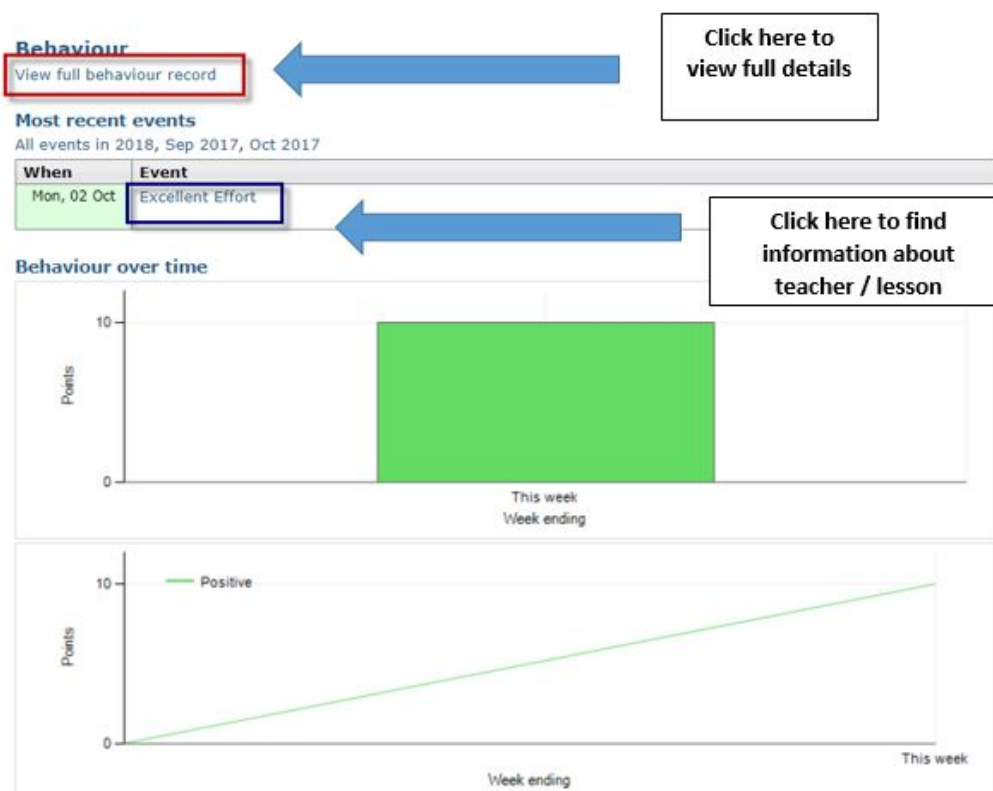

The Average column will be coloured according to how close or far off from the target grade the student is currently working.

5. Attendance

To view full lesson attendance click **'view detailed attendance record'** as indicated above.

6. Behaviour

The behaviour section will allow you to view behaviour incidents logged as well as rewards given. Recent events are displayed but to view all events click **'view full behaviour record'** indicated by the red box. To find out specific details such as which teacher issued the reward or sanction click on the event itself, indicated by the blue box.
