

[KS4 Geography Reading List](#)

To check if books are in stock in the LRC search on this [link](#). If it says (GLL) = Geography lending library (see your Geography teacher to borrow this) .

Course Specific Textbooks:

GCSE Geography AQA - Ross, Rowles, Holmes & Digby, Oxford University Press. (Students have access to an online textbook & we also have paper copies available in the department)

AQA GCSE 9-1 Geography - Widdowson, Blackshaw, et al, Hodder Education. (This is the course textbook by a different publisher, we only have 1 copy of this as we use it for occasional examples.)

Revision books:

GCSE 9-1 Geography AQA revision guide, CGP publishers. (The most popular basic revision guide.)

GCSE 9-1 Geography AQA exam practice workbook, CGP publishers. (Useful for students to work through key questions. The answer booklets are available in the Geography office for students to check their work.)

GCSE 9-1 Geography AQA revision guide - Bayliss, Tudor et al, Oxford University Press.

GCSE 9-1 Geography AQA Exam practice - Digby & Knowles, Oxford University Press. (This book is useful for practice revision with chapters on the 4, 6 and 9 mark questions with advice and worked through examples. There are also then a range of practice questions across all 6 topics and the pre-release section.)

GCSE 9-1 Geography AQA Fieldwork - Digby & Holmes, Oxford University Press. (This book works through the 6 strands of geographical enquiry and is helpful to revise for Section B of paper 3 on unseen fieldwork)
