You can only choose one subject from each block.

Students cannot choose to study Art & Photography together.

Further Maths is available as a fourth subject in additional hours. Please choose Maths as one of your three options and indicate on your application form that you would also like to do Further Maths.

Please indicate on your application if you wish to study the L3 Certificate in Maths in additional hours.

While every effort will be made to retain the structure shown, some alterations may be necessary.

Please note that, should there be insufficient numbers to make a course viable, it may not run.
