

## Tring School Sixth Form - Summer Work June 2021

All students should:

- Familiarise yourself with the Tring School Sixth Form Six Expectations and Dress Code which can be found on our [website](#):
- Prepare as much as possible by completing wider reading around your chosen subjects
- Complete the work below for your chosen subjects
- Start to consider how you can complete your volunteering hours; all students are expected to complete a minimum of 20 hours
- Use Unifrog or similar research sites to begin research and plans for your studies or career following Sixth Form
- Internal students should complete a 'spring clean' of their Google Drive and email inbox - archiving (not deleting) old material

Please note that all students require their own fully working device which can hold a charge for the duration of the school day. Should you require further information on our Chromebook scheme, please visit: <https://www.tring.herts.sch.uk/785/chromebook-shop>
