Tring School is committed to equality of opportunity for all pupils, staff, parents and carers. Policies have been written and reviewed with due regard to the Equalities Act 2010.

### Scope

The RLP is at the heart of the community delivering an inclusive education to students of all ages. Our mission is to embrace challenge and to celebrate success in all that we do by striving for every learner to reach their full potential. The culture that we have in our schools means that they each retain their distinctiveness but learn and grow together and remain collectively responsible for providing all students with exciting and inspiring opportunities.

### Introduction

We believe that students thrive in a happy, secure and caring environment. It is an essential part of a school ethos that the values of peace, love and caring for others should be core values that we respect and agree.

*'There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and in everyone it is the same God at work. 1 Corinthians 12 4-6*

The seating plan is used as a register for the process. When students are in the examination rooms they are seated in allocated seats as per seatings plans displayed outside the exam room. Any students that have left the school will be asked by an invigilator to produce some form of photo ID. All year 11 students have an ID card printed solely for the examinations and this shows their exam details alongside a recent photograph.

*“The centre agrees to... have in place written procedures to verify the identity of all candidates at the time of the examination or assessment...”*

[CR 5.10]

*Invigilators must establish the identity of all candidates sitting examinations.*

*...A private, external or transferred candidate who is not known to the school or college must show photographic documentary evidence to prove that he/she is the same person who entered/registered for the examination/assessment, e.g. passport or photographic driving licence...*

*...In cases where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes. Centres must inform candidates in advance of this procedure and well before their first examination.*
