You should choose 3 options - please rank these by preference, 1 being your first choice. We may consider allowing some students to take a 4th option depending on GCSE results and conversations with the Sixth Form Team.

You can only choose one subject from each block.

Students cannot choose to study Art & Photography together.

Further Maths is available as a fourth subject in additional hours. Please choose Maths as one of your three options and indicate below if you would also like to do Further Maths.

Please indicate on your application if you wish to study the L3 Certificate in Maths in additional hours.

While every effort will be made to retain the structure shown, some alterations may be necessary. Please note that, should there be insufficient numbers to make a course viable, it may not run.

Please indicate below if you wish to take Level 3 Mathematical Studies or Further Maths in additional hours:

I would like to take L3 Mathematical Studies	Yes	No
I would like to take Further Maths as a fourth subject	Yes	No

If you have any plans to follow a specific career or university course, please give details here:
Please try to answer this question. It does not commit you to anything, but may help us when we discuss your application with you.
