Dear Parents and Carers,

Over recent weeks the new build programme has been progressing well and the modular village of 24 classrooms, offices, toilets and staircases is partway through being constructed at the rear of the school. Due to the associated deliveries and construction traffic, the decision has been made to close the pedestrian access across the field to Tring School. This is for safety reasons and also applies to the routes from both Verney Close and through Grove Road Primary School.

I appreciate that this is inconvenient for students and it means walking a longer route to Tring School but I'm sure you appreciate the necessity.

When your child arrives at school they should use one of the normal pedestrian entrances at either end of the school frontage.

Please would you ensure that your child is aware of these revised arrangements upon their return to school.

Thank you for your cooperation with this matter.

Yours sincerely

Sue Collings
