## Annual Parent SEND survey

Dear Parent/Carer

To help us make sure we're providing the best standard of education for our students, we'd like to know how you feel about our school and in particular the SEND department. This will help us to ensure we're meeting the needs of you and your children.

This letter has been sent to all parents of students who have either an EHCP or are classified as SEN support. "SEN support" is not a label and could refer to any child with a historical SEN diagnosis and has received additional support during their time at school. This support could have taken many forms and does not always come from the Learning Support team. For example any interventions offered, support from the pastoral team or even if additional assistance has been given through Exams Access Arrangements (EAA) including the use of ICT or extra time.

Please take the time to complete this survey as it applies to you to help us make the support we provide learners with SEN the best it can be.

Please [click on this link](#) and complete the survey by **Friday 3 April 2020**

Replies will be treated in the strictest of confidence. Your feedback is very important to us.

Thank you for your continued support.

Yours faithfully

Mr C Lickfold  
Assistant Headteacher
