14 September 2020

Dear Parents/Carers,

I am writing to share some important information with you regarding our Key Stage 5 Business BTEC and Economics courses. Due to challenging personal circumstances, Mrs Morgan will now be teaching a blended learning model this term. She will be delivering a mix of online learning and classroom based teaching. The Business and Economics department will continue to ensure that students are given access to excellent resources, in addition to effective feedback and marking.

We are currently advertising this position and hope to attract an experienced practitioner ahead of the Spring term to take over her classes.

Mrs Morgan will be available for Google Meet sessions during prescribed hours and will use Google Classroom to ensure students are equipped with the knowledge they need to make excellent progress. Students will be expected to attend these lessons in their timetabled rooms. They will be supervised at all times.

I am delighted to be overseeing the department in the short term, ensuring the continuation of high standards across all Key Stage 4 and Key Stage 5 lessons. We have also recruited an excellent subject specialist in Mrs Puma, who will work closely with Mrs Morgan sharing several of her groups.

If you have any queries or concerns, please do not hesitate to contact me, iholmes@tringschool.org
Kind regards

Ian Holmes
Subject Leader - Business
Asst. Subject Leader - Media & Film
