Chromebooks for Learning Scheme

Dear Parent/Carer

Following the online presentation evening in May (you can view the presentation using this link <https://www.youtube.com/watch?v=w6RQIYLf2Wk>), I want to take this opportunity to give you an update on the Chromebook for Learning Scheme. We have been really excited by the uptake so far and thank you to all parents who have already ordered a device – the online shop has been extremely busy. There is still plenty of time to order your Chromebook, the deadline to order a device to guarantee the Chromebooks for the first day of term is **Friday 10 July 2020**.

Further information regarding the scheme and the optional purchases can be found via the [Tring School website](#) by clicking on the Chromebook button on the home page. If you have sourced your own Chromebook this is absolutely fine, however, please ensure you have purchased a £19 licence for using the device in school through the [wisepay](#) link.

If possible, please pay using [Wisepay](#) which can be found via the 'Payments' link on the Tring School website or there is also a link on the 'Chromebook Shop' page. Please contact chromebookfinance@tringschool.org if you have any other queries regarding purchasing the Chromebooks.

If your child is a Pupil Premium student there is a different price structure for the purchase of the Chromebook. These prices are highlighted below, however, please contact the school directly to talk with the Finance Team if you have any queries on this or want to find out more about Pupil Premium.

Thank you very much for your support with this – it is greatly appreciated.

Participation is voluntary, but we very much hope you will sign up. We believe the scheme brings a host of very real benefits to all our students. Parents are able to buy a Chromebook through the school at prices we believe represent excellent value for money and I would like to point out no profit is made by us in offering this service.

For further information about the Chromebook scheme, please visit the school website which has a comprehensive guide and answers to frequently asked questions. If you have any further queries, please do not hesitate in contacting us at **Chromebooks@tringschool.org**

Yours faithfully
