Dear Parents/Carers

We hope that you and your families are well during the lockdown.

Although in lockdown, there are many ways that participants are able to continue working towards the sections of their D of E Award, some of which we shared on the Google Classroom before Easter. There are also lots of suggestions on the D of E website - please take a look at their specific advice and adaptations around Corona virus [here](#).

With things so 'up in the air' still, we don't yet know when we will be able to reschedule our D of E expeditions. As soon as we're able to, however, we will work to agree new dates with A to Z and let you know. If things settle and we are able to, we could run the expedition at the end of June as our practice and try to organise a second, qualifying expedition later in the year. This, of course, will depend very much on the situation in the country and government advice.

Please do get in touch if you have any questions about the D of E Award. We will write again as soon as we are able to give you any updates regarding expeditions.

Kind regards

Hannah Jarvis and Alison Moore  
D of E Co-ordinators
