Dear Parent/Carer

Re: E111 bus collection time

Thank you for your patience as we have tried to resolve the longer wait time for the E111 bus service to collect the students at the end of the school day. We have liaised with the bus company and are pleased to let you know that we have been able to find a solution.

The E111 bus service will now collect the students immediately after school. The bus will arrive on the school site at 2.45 and will depart at 2.55pm. As the bus will be waiting for the students they must leave lessons promptly and go directly to the front of the school and board the bus. There is no leeway in the timings of departure, so if students need to talk to teachers after school or collect any Food Technology work this will need to be done earlier in the day. This message has also been conveyed to all teachers.

This new collection time will come into effect from Monday 28 September and will run as a trial period to ensure it works for both the bus company and school. Please can you reiterate to your son/daughter the importance of getting to the bus before 2.55pm to give us the best possible chance of retaining this earlier service.

Thank you for your patience whilst we have been working on a resolution to this matter.

Yours faithfully

Mrs Golla, Assistant Headteacher
