Dear Parents/Carers,

## Extended Learning Day

As you may be aware, we have seen an increase in positive PCR tests over the last few days and we now have two year groups that have been moved onto our remote learning provision in an attempt to 'circuit break' any further transmission.

I have taken further advice from Public Health and it is with deep regret that I need to postpone the Extended Learning Day visits tomorrow.

I know the students will be very upset with this decision, but it is my intention that the visits will be rescheduled to the first half term of the next academic year and payments will be transferred.

As always, we are following the national guidance for schools and in time, it is hoped that this guidance will change and enable Public Health to advise us differently.

Tomorrow, students who are in school should follow their usual timetables.

Once again, I am sorry to share this notification, yet I hope you can understand why this decision has had to be taken.

Thank you for your continued support with the school.

Yours faithfully

Mrs S Ambrose  
Head of School
