Dear Parent/Carer

As you will be aware from my recent communications, we have been following the advice from Public Health England regarding managing ourselves and our school community amidst the outbreak of Coronavirus.

As a precautionary measure, we have taken the decision to cancel our Extended Learning Day which was scheduled for Tuesday 17 March to prevent our students unnecessarily travelling into London or having visitors come into our school who may have been in contact with a wide range of people over recent weeks.

Students will follow normal timetabled lessons on this day. I apologise for the upset and disappointment that this will cause our students and staff, however, I hope you will understand and support the school in this matter.

We will be in contact directly with families who have paid for visits with regards to arrangements for any refunds that we are able to obtain.

Thank you for your continued support and vigilance during this challenging time.

Yours faithfully

Sally Ambrose
Head of School
