Dear Parent / Carer

Please find attached the fifth edition of our termly creative writing magazine, Tring Writes. For this edition, we asked students from all year groups to submit poems, letters, diary entries or short stories on the theme of The Natural World.

This magazine has been created by a dedicated team of student editors, who have had control over the chosen submissions and the look of the magazine. The written submissions from students were of such a high quality that the editing team had a difficult job selecting ones to include!

The last edition for this academic year will focus on the theme of Lockdown. Students will be completing this task in their English lessons, and the final edition will be sent to parents before the end of the academic year.

On behalf of the editing team, I hope you enjoy reading this as much as we did and we hope you will join us in congratulating all the student contributors for their inspiring work.

Yours faithfully
