Dear Parents/Carers,

I wanted to raise your awareness of a scam related to free school meals. It has been reported in the national media, that people are putting posts on social media claiming that if you pass on your bank details, they will give you money for free school meals. Please do not contact anyone who may have made such a post or contacted you. The only contact you will receive about free school meals will be from us directly. The government continues to make announcements that they are working on a longer term solution for free school meals during school closure, however any detail regarding this will still come from Tring School. I hope that you have found the Tesco Spend Cards helpful and we will be in touch at the end of next week.

If you have any questions at all, please do not hesitate to contact me on lwilliams@tringschool.org

Kind regards,

Lucy Williams
