Dear Parent/Carer

I am writing to introduce you to GO 4 Schools, an exciting online parental engagement system. As a parent/carer you will be able to view your child's progress online and access the following information at any time:

Attendance	Shown from the start of the academic year
Behaviour information	Rewards and sanctions
Communication from Heads of House	Follow up notes / information
Homework	Homework tasks set
Progress Reports	Trackers sent home
Timetable	Your child's daily and weekly timetable
Rewards and Sanctions	Your child's rewards & sanctions

We are aware that GO 4 Schools has written to you via an email notification. This letter is designed to support your next steps with this programme.

Your child's page is constantly updated, providing you with the latest information. To access GO 4 Schools, please go to www.go4schools.com and click on the 'Parents icon' at the top of the main page.

To request a password for GO 4 Schools, please enter the email address you are using to receive email communications from Tring School into the **First-time User?** field and click 'Please send me a password'. A randomised password will then be generated and sent to your email address. You will then be able to log into the site and view your child's page. We recommend that you change your password to something secure and memorable to you.. You can change your password via the settings option.

Please click [here](#) to follow an easy 5 step process of how to log on to Go 4 Schools and have full access to your child's information page.

Students have already received this information on how to access their Go 4 Schools account and where they will find homework that has been set. All teachers will be setting homework using Go 4 Schools and this is something you can check on a regular basis. If you have any questions regarding homework, please can I ask that you contact the Form Tutor or the subject teacher in the first instance.
