Dear Parents and Carers

Head of School Update

Thank you to all of you for your continued support and positive correspondence as we navigate our way through the challenges of Lockdown 2. Our students continue to be a credit to you all, in the way that they have adjusted and re-engaged with our online learning expectations.

I am pleased to share that we have successfully set up our Lateral Flow Testing station this week. Staff are being tested weekly when they are in to supervise our in-school provision. Students who are attending school will also be taking the initial tests next week. I hope you will feel reassured that we now have a system in place and ready for when we are allowed to bring more students back onto the school site.

Please be aware that whilst our ambition is that all lessons will have a live introduction for students, there will be occasions where this is not possible. Each teacher is supporting students in school on one day each week. On these days, the lesson work will always be posted in advance on the Google Classroom. During the week commencing Monday 25 January, Year 11 and 13 teachers will also be invigilating exams which may overrun into other lessons and therefore, there may be increased numbers of lessons that start with an independent task for students to complete. Again, all information regarding this will be shared in advance of the lesson directly with the students so they know what they are expected to do.

Year 13 and Year 11 students - received this [letter](#) regarding the arrangements for their mock exams. Students will also receive a further letter today outlining their new timetable, duration of exam and content of exam.

	1st February	-	Year 12 Tracker will be released
	8th February	-	Year 10 exams to be completed online

We are slowly increasing our pastoral provision for all students. Students will receive a link to view a collective worship on a Monday and a whole school assembly on a Thursday each
