20 March 2020

Dear Parents and Carers,

I would like to thank you all for your support and kind words shared over these challenging few days. Your children have all been a credit to you and have remained calm and sensible in very unsettled times.

For parents of Year 11 and 13 students - we hope to hear today further guidance of how student achievement will be recognised. I will communicate our school approach to this information once it has been received and we have a pragmatic plan in place.

Over the last two days, we have met with all of the students and outlined our expectations for home learning. All students are expected to follow their school timetable whilst at home. Work will be posted on the Google Classroom and teachers will be online to support and provide regular feedback during the timetabled time (providing staff are well). Teachers will endeavour to provide a small written comment on students' work every two lessons. Please find more information here - [Parent guide](#); [Student guide](#)

When talking to the students we have defined time into phases, to help clarify our expectations as follows -

Phase 1 - Monday 23 March - Friday 3 April 2020

Years 7 - 10 and 12 are expected to work from home and complete work scheduled on Google Classroom. Teachers will be online to support during timetabled lessons.

Phase 2 - Monday 6 April - Friday 17 April 2020

Easter break to rest and enjoy family time.

Phase 3 - Monday 20 April

We await further information. Home learning arrangements will continue if required.

The school will remain open during Phase 1 to support and supervise the children of key workers and other children identified as vulnerable to complete the same online learning as their peers. If you have advised us that you are eligible for this support you should have been contacted by telephone already. If you need to update us or haven't yet been contacted, please email tringschool@tringschool.org so that details can be confirmed.

If you have any further questions or concerns, please email tringschool@tringschool.org or the most appropriate person and then allow time for the response. The response will not be immediate and may take up to 48 hours.

I would like to take this opportunity to wish you well as we all readjust and find a balance in our lives during this unprecedented time.

Yours faithfully

Sally Ambrose
