Dear Parent/Carer

School continues to find a new rhythm and balance as we continually adjust to new ways of working. With Covid restrictions cautiously easing, it is only reasonable that we resume our whole school expectations with all students. Of course, we do recognise that many students naturally meet our expectations daily.

Thank you to all of you that ensure your child/ren arrives on time, smartly dressed and ready to learn. We have flexed our expectations over the last year and I would now like to take the opportunity to confirm our expectations with you, just in case your child suggests otherwise!

**Punctuality** - All students should be on school site by 8.35 am and seated in their Form room by 8.40 am. Lessons will start promptly. Any student arriving after these times will be recorded as late.

**Uniform** - All students in Years 7-10 are to attend school in full school uniform, including school shoes everyday and change on school site for their PE lessons. Students are permitted to wear a black V-neck sweater under their blazer. Please be advised that black round neck or hooded sweatshirts are not permitted and will be confiscated.

As previously communicated, Year 11 students will be permitted to continue to wear PE kit on PE days. On other days, our expectation is that students are wearing the correct uniform.

Jewellery should be limited to one small ring, one pair of studded earrings and a wrist watch only. Nail varnish and false nails are not permitted for Years 7-11.

Students in Years 12-13 should adhere to the Sixth Form dress code. Any Drama/PE students should change into performance wear/ sports kit at lesson time.

**Equipment** - All students are required to arrive fully equipped for their lessons each day. This includes exercise books, pens, a charged chromebook and a face covering.

**Extra Curricular clubs** - will resume.

**Face coverings** - to be reviewed alongside the next National Announcement on 17 May.

**Mobile phones** - are not to be used under any circumstances between 8.35 am and 3.00 pm on school site.

**Year 11 and 13** - a separate letter was sent home yesterday, updating you on the process for awarding students grades this summer.

A reminder that we have an **INSET Day** on Friday 25 June 2021. However, students in Year 10 will be expected to attend school for their exams on this day.

And finally, Covid lateral flow test kits for students should be arriving in school next week, providing we receive our delivery. We will distribute the kits to students as soon as they arrive during tutor time. In the meantime, if your child is reaching the end of their supply, you are able to collect a free supply from your local pharmacy.

Kind regards

Mrs S Ambrose
