Dear Parent/Carer

Due to the current Covid19 pandemic and the building works at school, we will be requiring all students in KS3, 4 and 5 to bring headphones to their MFL lessons from the end of September so students can work on listening tasks independently. As these headphones will be used during Chromebook work to listen to audio tracks either embedded into the slides or via Kerboodle, headphones should be wired (NOT Bluetooth enabled). These should have a small jack (3.5mm).

From the end of September (W/C 28 September), headphones will be considered part of student's equipment for MFL and it is our expectation that students bring these to every lesson.

Below are a number of links to suitable headphones, but this is by no means exhaustive. Any headphones that are wired and can be plugged into Chromebooks will be suitable.

Once purchased, headphones need to be labelled with the student name, as it is important that students do not share equipment. Finally, should there be any concerns regarding purchasing headphones and/or you are in receipt of pupil premium funding, do please get in contact.

Thank you for your continued support.

Yours faithfully

Mrs Baker, Mrs Munro and Mrs Simón - Subject Leaders for MFL
