Dear Parent/Carer

Due to the current Covid19 pandemic, from September we will be requiring all students in KS3, 4 and 5 to bring headphones to their music lessons. This is to limit the amount of equipment they will be sharing.

As these headphones will be used during keyboard work and Chromebook work, headphones should be wired (NOT Bluetooth enabled). These should have a small jack (3.5mm) but we will be able to provide adapters if necessary.

From September, headphones will be considered part of student's equipment for music and, therefore, students will be sanctioned if they do not bring their own.

Below are a number of links to suitable headphones, but this is by no means exhaustive. Any headphones that are wired and can be plugged into Chromebooks will be suitable.

Over-ear headphones:

Once purchased, headphones need to be labelled with the student name, as it is important that students do not share equipment.

Should there be any concerns regarding purchasing headphones, do feel free to get in contact as we have a small number of headphones we can give out, but these will be kept within the Music department and cleaned by students between usage.

Thank you for your continued support.

Yours faithfully

Mr Moosajee (Academic Director of Music)

Miss Hicks (Director of KS3 and Extra-Curricular Music)
