Dear Parent/Carer,

I am writing to inform you that as we continue to work and assess students' work remotely, we have had to upgrade our systems and procedures.

As a result of online learning at home, we have updated our IT acceptable user agreement to take into account the unique circumstances that we find ourselves in. The change refers to the use of IT during the school day whilst at home.

Please click on the link above to see the policy document. This policy is also visible on the school website, under the 'Key Information' tab.

Our policies are based on the Hertfordshire County Council models and are amended to meet the needs of Tring School. Rigorous checks are made and debated via the Leadership Team and Governors of the school.

If you have any concerns, please contact IT@tringschool.org and we will happily discuss this further with you.

Kind regards,

Mr C Lickfold
Assistant Headteacher
