Dear Parents/Carers,

I am pleased to share with you some important updates regarding our Key Stage 5 Business BTEC and Economics teaching.

We have successfully recruited Mrs De Hoest, a highly experienced practitioner from a local grammar school, who will be joining us part-time as of today. She will work alongside Mrs Walter and Mrs Puma and offer continuity of teaching moving forwards. This means that our students will now have an experienced teacher present in every lesson. Mrs Walter will now be permanently taking over Mrs Morgan's classes with the exception of some A Level Economics that will be delivered by Mrs De Hoest.

As we strive to stretch and challenge our learners, I would also like to offer all Economics students the exciting opportunity to attend a lecture series every Wednesday afternoon in the Desborough Hall between 3:00pm and 4:00pm. This will run every week until half term. As this is an extra curricular event, it is not compulsory for students to attend, but our learners will be given an academic presentation which prepares them for University and their A Level exams and will support them in reaching top grades in Economics.

I would like to thank you for your support throughout this transitional period. If you have any queries or concerns, please do not hesitate to contact me, iholmes@tringschool.org

Kind regards
