Dear Parent/Carer

Normally, at this time of year, we hold our annual Key Stage 3 into 4 Information Evening. This year, as we are unable to do this in person, please find enclosed a link to the slide presentation which includes a message from myself, individual Core Subject video presentations and an information booklet that we will also send to students. We hope you find the information useful and informative.

If you have any questions regarding any of the subject information in the booklet, please do not hesitate to contact the individual Subject Leaders or Key Stage 4 Coordinators for that subject, and if you have any queries regarding the presentations, please contact myself or the individual Subject Leaders.

There is also a Key Stage 4 Study Support website that has many useful links for study and revision support for the students - [LINK](#). If you have any questions about this, please feel free to get in touch.

We look forward to working with your child during their Key Stage 4 studies.

Yours faithfully
