Dear Parents/Carers

As we come to the end of another incredibly challenging and strange year for the school, I wanted to take a moment to reflect and praise the dedication of the whole of the staff at our school. Nobody anticipated that we would have to continue to face such challenges for another full academic year and yet our teachers and staff have worked tirelessly, maintaining the high level of support for the students and continuing to meet our core values of wisdom, hope and community.

I would also like to thank the dedication and commitment of the students, who continue to make us proud with their work and behaviour throughout this time. The best of luck to all those students who have left us this year to continue on the next stage of education or work.

Whilst all of this has been going on, we have been in the middle of a fantastic new build programme which promises to deliver a very exciting future for the school.

Finally, I would like to thank you all for your continuing support of Tring school and on behalf of the governing body, I would like to wish you a relaxing summer break.

Yours faithfully

Anthony Kent
Chair of Governors
