Dear Parents and Carers,

We hope that you are safe and well in these challenging times. Following the letter sent out last week we are writing to remind you that the Year 6 Chromebook Evening scheduled for **Tuesday 5 May at 7.00 pm** will be going ahead through a live stream. The Chromebook scheme has proved to be extremely successful and we have been delighted by the positive response that has seen an uptake of over 98% across all the year groups. From the first day of the new term (Thursday 3 September 2020) all Year 7 students will need a Chromebook in their lessons.

This meeting will still go ahead through a live presentation on the following link https://www.youtube.com/watch?v=kjL7L3TYc_M. This link will also be promoted through the school website, Facebook and Twitter accounts.

The purpose of the meeting is to discuss the Chromebook scheme and provide you with a deeper understanding of the scheme and how you can order your child's Chromebook. During the presentation we will discuss the 2 completely new devices that we will be offering, key dates and information about how the school uses Chromebooks and IT within the classroom. We strongly hope you are able to join us, there will be an opportunity to ask questions through the link or alternatively by emailing chromebooks@tringschool.org which will be monitored during the presentation and responded to live on Tuesday.

Further information on the scheme will be available on the Chromebook pages on the [school website](#). You can also find information on the [recognition](#) Tring School has received through its use of IT in the classroom.

As always, we hope your child is looking forward to joining Tring School and to assist any conversations you may be having, please let them explore our website to see all the activities and events that happen as this will help them become familiar with us <https://www.tring.herts.sch.uk/>.
