26 March 2021

Dear Parents/Carers,

To support your child with their maths, the Maths Department will be delivering a Numeracy Breakfast Club starting the first full week back to school in April 2021.

Students will meet in MV1 every morning at 8.15am where they will complete a numeracy task. Mrs Flitney, who supports the students in their Maths class, will oversee the task, mark and provide feedback.

During the sessions, students will be offered breakfast.

As a reward for attending, for each session they attend they will receive a stamp on their numeracy reward card, which will generate a half termly prize.

If students arrive by bus, please make sure they head straight to MV1 regardless of the time they arrive. Mrs Flitney will ensure that students are not late to their Period 1 lesson.

Attending every morning will cement and improve their key numeracy skills which are so important for them to continue to make progress in Maths.

If students attend Reading buddies in the LRC, please come to the Numeracy breakclub on the opposite days.

We look forward to seeing them on Monday 12 April 2021.

Yours sincerely,

Mr T Fox
Acting Subject Lead for Maths

Mrs D Lea
Mr G Er
Mrs J Bellamy
Mrs G Rogers

Mr N Allum
Mrs J Mitchell
