Dear Parents and Carers

Pastoral Update

First of all, we hope you are all keeping safe and well.

We are now in our thirteenth week of lockdown - an unprecedented situation that we had no preparation for. However, we continue to be impressed not only with the students' engagement with their school work, but with you as parents and carers, and the commitment that you have shown to support your children with their studies and wellbeing - often alongside managing your own work.

While some children have clearly thrived at home, others have found the situation more challenging and we are very aware as a Pastoral team that there may be many children that are finding the situation increasingly hard but are not asking for support. In order to extend further support to all our students, we have already put in place a weekly tutor time, a modified Collective Worship rota and a House Classroom. In addition, we are still running our school counselling provision remotely.

We would like you to know that all of our **Heads of Houses - Mr Sanday - Ascott; Mrs Young - Claydon; Miss Gosling - Halton and Miss Stefan - Waddesdon; Miss Moore, Student Support Manager for Sixth Form and Mrs Yarrow - Student Support worker**, as well as our Form Tutors, are all available to support your child at this challenging time. Their mental wellbeing is of the utmost importance to us and we would like to do everything we can in order to help them through this difficult period of time.
