26 March 2021

Dear Parents/Carers,

As you may recall, Tring School Maths department are part of a project with the Education Endowment Foundation called Realistic Maths. We, here at Tring School, are in the control group. You may remember receiving a letter when your child was in Year 7 giving you all the information for this.

A little later than planned, due to Covid, this research project is now coming to an end, and all schools involved in the trial have been asked to complete an assessment, which is set and marked by the external research team.

Your child will sit this assessment next half term. Students do not need to prepare for the assessment.

Please read the attached information from the research team.

If you have any queries, please do not hesitate to contact your child's Maths Teacher.

Yours faithfully

Mr T Fox
Acting Subject Lead for Maths
