Dear Parent/Carer,

As part of our ongoing sex and relationships education programme, we have an opportunity for Youth Connexions to come into school and offer sexual health advice and contraception services to students.

These services are also available at the XC Centre in Hemel Hempstead, however, some young people from the area have noted that this is a difficult location to get to due to our geographical location in Tring.

The next session where Youth Connexions will be in school is Tuesday 29 September at lunchtime. They will be based in the meeting room in the Sixth Form Centre and will offer a drop-in service as well as speaking to students in general at lunchtime in the study area.

Yours faithfully

Mrs S Kay
Head of Sixth Form
