16 July 2021

Dear Parents/Carers

We have been exceptionally proud of the students' hard work and commitment over the last 15 months as their face to face provision has been interrupted with remote learning. We recognise that all of the students require a fully deserved break over the summer period. However, students in examination years would also benefit from using some of the time profitably and close any gaps that they may have as a result of the disruption last year.

To further support students over the summer our subject teams have provided some additional bridging work to be completed by students in preparation for September. This could be project work, the learning of key vocabulary or practising their art skills for example. The idea behind any bridging work is to provide purposeful activities that will support students in consolidation of key knowledge and skills in order for them to be successful with their next steps. The work will not be onerous or too time consuming and will be set on Go4Schools and posted on Google classroom where relevant.

Students from Year 9-11 also have access to GCSE Pod which has a range of 'Preparing for...' pods and activities that students may find useful. GCSE Pod are also launching [Summerpod](#) - a 3 week free programme for parents and students designed to support learning this summer. If you are interested in this, you will need to register via the site.

Parents often ask us for reading recommendations and we would also like to encourage all our students to read over the summer holidays. Our reading lists are full of recommended reading for all our students.

[Key Stage 3 Reading List](#)

[Key Stage 4 and 5 Reading List](#)

Finally, our [Super curriculum](#) provides students with a range of tasks and activities designed to enhance their understanding of their lessons. If students would like to get involved in additional learning, this is a great place to start.

Tel: 01442 822303 Email: [tringschool@tringschool.org](mailto:tringschool@tringschool.org) [www.tring.herts.sch.uk](http://www.tring.herts.sch.uk)

I wish you all a restful summer and look forward to a smooth, uninterrupted academic year from September.

Yours faithfully

Mrs L Rolfe  
Assoc. Assistant Head
