

You and your family are invited to attend a match at the stadium free of charge.

Tring Athletic Football Club (TAFC) are looking to strengthen our relationship with our community by opening our 'turnstile' to welcome as many new people as possible to watch and/or play football. We want to encourage more local people to get involved in the running of the Club; we would be delighted to hear from anyone who is interested.

We have a growing youth system at TAFC, we offer opportunities for young people to continue playing football once they have finished with Tring Tornadoes Junior Football. Within TAFC we have a 'pathway' for players to progress through our youth system and where appropriate to play for our adult reserves and 1st team. We plan to grow our playing numbers at both a youth and adult level.

We have a newly refurbished clubhouse providing a welcoming place to socialise before, during and after the match. The clubhouse is available for use by the community if pre-arranged with TAFC.

If you are interested in coming to watch a match for free or have any questions about membership and its benefits or would like any information on any of the above, then please contact Graham Bright at tringathleticfc@hotmail.com.
