Dear Parent / Carer

Please find attached the sixth edition of our termly creative writing magazine, Tring Writes. For this edition, we asked students from all year groups to submit poems, letters, diary entries or short stories on the theme of Lockdown.

The recent weeks have been such an unusual and difficult time for all of us that we wanted to give our students the chance to capture their emotions during these turbulent times. The written submissions from students were of such a high quality that we had a difficult job selecting ones to include!

On behalf of the editing team, I hope you enjoy reading this as much as we did and we hope you will join us in congratulating all the student contributors for their inspiring work.

Yours faithfully

Janice Brown
