Dear Year 8 Parent/Carer

World Challenge Adventure to Vietnam 2022 - Adventure Awaits!

Good news! We didn't get to travel this year, but the Vietnam expedition and team is now planning their adventure for July 2022. We didn't want students to miss out on being part of the team so this opportunity is open to current Year 8 students to go to Vietnam for 16 days in July 2022 at a cost of £3,517.

We, and World Challenge, encourage students to raise the money themselves; it's an integral part of the World Challenge ethos and in previous years, on average, students raised 80% of their adventure fee themselves. It is achievable! The 2022 expedition is being launched early in order to give students a greater amount of time to plan and complete their fundraising activities.

The experience will provide students with a wealth of new skills which they will find invaluable in school, college, university and the world of work. We work on a community project whilst overseas which gives students a real insight into the culture of another country.

Year 8 students have received an email with details of the expedition, but as a parent/carer we know you will have questions so we would like to invite you to a zoom parent Q & A session. This zoom session will be hosted by Hannah Powell from World Challenge on **Thursday 1 July 6.00 pm**.

If you do wish to find out more information please join us. I am sure you will find it interesting and also see why the school values the outcomes of this programme so highly. If you would like to attend please complete this link [2022 World Challenge Vietnam Zoom Session](#)

Yours faithfully

Hannah Jarvis & Sarah Yarrow
Tring School Leaders

Hannah Power
World Challenge

"If you wish to keep the Malindi that went to Vietnam that's fine. I'll keep the one who came home. Clearly a different person that just looks the same. Thanks for everything".
