15 May 2020

Dear Parents/ Carers,

You should have received communication from World Challenge regarding your Refund Credit Note for this summer's cancelled expedition to Eswatini.

Before we look at running an expedition for the current Year 9s in the summer of 2021, we need to know how many students are interested in signing up. We will not know the details of the trip until we have an idea of numbers. If your child is interested in travelling next summer, **please can I ask that you complete this [Expression of Interest form](#) before the deadline of 12 June 2020.**

Your family should take this opportunity to think carefully about how you want to proceed with World Challenge. The challengers have worked extremely hard this year to raise funds and get to know their teams. It is a big decision, particularly in light of the current situation, so we want to give you the chance to discuss it fully. If students choose not to come along in Year 10 they will, of course, have the option to sign up for the longer expedition which should run when they are in Year 12.

If you select that you are interested, we will be in touch with you when we have more information from World Challenge about our options.

I would also like to take this opportunity to thank all of you for your support this year. The challengers have been amazing and your help, particularly with the quiz night, has been brilliant. If your child decides not to continue with World Challenge, then we hope that they have enjoyed their experience and hopefully, still gained some positives from the process!

Kind Regards

Hannah Jarvis
World Challenge School Leader
