14 September 2020

Dear Parent/Carer

I am writing to share our planned approach regarding assessment for Year 11 students this year.

We are carrying out 'in class' assessments this week and next week; these are diagnostic assessments which will inform students, teachers and parents of how the students are currently performing. We will release a tracker detailing these results week commencing 12 October.

We will run our first set of mocks for English, Maths, Science and PRS from 2 November 2020. We will run our full set of mocks from 25 January 2021. We have moved the full mocks after Christmas in order to give the Year 11 students more time to prepare due to the weeks of physical school missed due to lockdown.

The current guidance states that Year 11 students will sit examinations in the summer but due to the uncertainty around Covid, we need to be fully prepared for Centre Assessed Grades. Our assessment plan will provide us with accurate, robust data to support any decisions that we need to make. We shared this message in our Year 11 assembly last week too as it is important that the students hit the ground running and work hard from the offset.

These plans may be disrupted if we experience further lockdowns, if this is the case we will keep you informed of any changes.

Please feel free to contact me if you have any questions or concerns about assessment in Year 11 this year. Thank you for your continued support.

Kind regards,

Ruth Georgiades  
Deputy Headteacher
