25 September 2020

Dear Parent/Carer

## **GCSE Examination Course in Design and Technology Year 10 – Product Design**

In Product Design this year we are preparing our Year 10 students for their Non-Examined Assessment and their theory paper in 2022.

We have incorporated four practical elements to give students greater freedom and choice in their projects and develop skills essential for the practical element next year.

We are asking parents to make a contribution of £20 towards these costs.

Please complete this [form](#) by Monday 19 October 2020.

Thank you for your continued support.

Yours faithfully

Danielle Corney  
Assistant Subject Leader, Teacher of Product Design
