Dear Parent/Carer of Year 10 Students

I am writing to clarify some expectations around Home Learning for your child. We have thought really carefully about how best to deliver the curriculum during this school closure and wanted to make clear what we are expecting Year 10 students to do when they have their English lessons.

Lessons will now be delivered using online learning. Teachers will post the lesson on Google Classroom and some teachers will be using other methods like Screencastify and Google Hangouts to deliver part of the content. Unless there are circumstances that prevent this, teachers will be available for support during lesson time. Therefore, it is critical that students are online when they would usually have English lessons.

Teachers will be covering the following topics:

Animal Farm
A Christmas Carol
English Language - Reading and Writing

Online resources can be found on our Departmental website. There are hours of exam prep and revision material for students on our website - so at no point should your child be saying there is no work to do! <https://sites.google.com/tringschool.org/english/home>

The BBC OCR website is very useful too - <https://www.bbc.co.uk/bitesize/examspecs/z3f3mnb>

We also would like our Year 10 students to read some challenging texts from this [reading list](#)

Please do not hesitate to contact me if you have any questions and I wish you all well through these challenging times.

Yours faithfully

Ms Lindsey Rolfe
