19 March 2021

Dear Parent/Carer

Extended Learning Day Update

On Thursday 25 March, Year 10 students will take part in an exciting and varied programme of cross curricular activities. The day will be divided into two sessions. One will focus on Study Skills and prepare students for the second half of their GCSE studies.

The other session will involve collaborative work and a range of creative, practical tasks linked to Media. Students will be asked to promote a new music artist or band. They will be given a range of optional multi-media activities such as: designing an album cover, a newsletter, magazine cover, interviews, website, merchandise, tour posters, press release statements, Twitter posts and more. They will be given an opportunity for a photoshoot to promote their artist or band.

Year 10 students will therefore be permitted to wear non-uniform on Extended Learning Day. They are welcome to bring any props that would enhance the image of their music artist(s) to help create a professional image.

Any questions please contact Mr Holmes.

Yours faithfully

Chris Curry
Enhancement Leader

Ian Holmes
Media Subject Leader
