Dear Parent/Carer

Life Skills Lessons Summer Term 2021

At Tring School, we continue to prepare students for the physical and emotional changes of growing up; to give them the knowledge and skills to make informed and healthy choices, to build their confidence and skills to deal with situations they may encounter and to help them to stay safe and know where and how to ask for help if needed.

As part of our Life Skills lessons, Year 10 students have been taking part in Relationships and Sexual Health Education where they consider the changing nature of a range of relationships.

Over the next two weeks, as part of this year's Relationships and Sexual Health Education, your child will have a lesson which covers female genital mutilation (FGM). They will be taught what FGM is, the legalities surrounding it in the UK and discuss ways of how to keep safe. We believe that this will be an important addition to the Year 10 Relationships and Sexual Health Programme.

If you have concerns or would like to discuss the matter further, please contact me at ccury@tringschool.org

Yours faithfully

Chris Curry
Enhancement Lead
