Dear Parent/Carer

Re: Food Preparation and Nutrition Exam

I am contacting you with regards to your child's Food Preparation and Nutrition Practical exam, taking place w/c 22 March 2021.

Each student will have an allocated day that week and 3 hours to make and present two dishes. This exam will be carried out under examination conditions and the marks will go towards their final GCSE grade.

Each student will need to have the following:

- Ingredients
- Any specific equipment (students should check with their teacher)
- Presentation equipment e.g. plates, bowls, table settings
- Detailed time plan

Students need to arrive at their classroom on their allotted day at 8.40 am or earlier, ready to set up for a 9.00 am start. The exam will last, without a break, until 12.00 pm. Students will then have the opportunity to present, photograph and taste their dishes in order to make notes for their evaluation.

If you have any questions, please do not hesitate to contact us.

Kind regards

Mrs Gosling and Ms Stephenson
Food Technology Teachers
