16 April 2021

Dear Parent/Carer

## Year 11 Leavers' Hoodies

We are pleased to be able to offer a Year 11 Leavers' Hoodie for students to purchase. The cost per hoodie is £17 or £20 dependent on whether they wish to personalise it with their name. The hoodies will have "Tring School Leavers 2021" on the front and all of the students' names listed on the back in the number 21 (the year of leaving). If students wish to personalise their hoodie with their own name or nickname (on the back above the leaving date) they need to indicate this on the Google Form via the link below.

There are a range of colours for students to choose from and a colour chart will be on the board outside the House Office to help your child make their choice (all writing will be white). Please complete this Google Form ([link to form](#)) with the hoodie colour, size and details of any names or nicknames (personalisation) students would like on their hoodie. Please note that we will produce the hoodie with the exact same capitalisation and spelling as you enter on the form so please ensure this is correct. **Please be aware the closing dates for the hoodies is Friday 7 May. This will leave enough time to get the order processed before the hoodies are handed out on the year 11 GCSE Results Day.**

**If you do not wish your child's name to be included in the list of students' names on the back of the hoodie, then please confirm this in writing by email to [jsanday@tringschool.org](mailto:jsanday@tringschool.org) by Friday 23 April. If we do not hear from you by this date, your child's name will automatically be included in the number 21.**

If you would like to place an order, our preferred method of payment is Wisepay. Alternatively, if you do not have access to this, a cheque payable to Tring School should be returned to the Finance Office. Please write clearly on the back of the cheque your child's name and "hoodie order". **Orders submitted after Friday 7 May 2021 deadline cannot be accepted.**

Yours faithfully

Jon Sanday  
Head of House
