Dear Parent/Carer

## **YEAR 11 & 13 DRAMA - COMPONENT 2 PERFORMANCE EXAM**

I am writing to inform you that due to the uncertainty surrounding the return to school we have made the decision to change your child's component 2 exam from group performances to a solo monologue performance.

I understand that for some students this will be really disappointing having already worked hard on their scripts and line learning, however, this is a decision which we believe will benefit your child to achieve the best possible result for their performance exam.

I have met with all students this week to discuss this and I have answered any questions or worries which have arisen from this change.

The uncertainty that surrounds the return to school means that we cannot guarantee that we will return to school with enough time for students to rehearse in their groups or even guarantee that group work will be permitted. This change enables all students to have a certainty to their performance exam and permit rehearsals to continue through home learning.

It is my aim that all students will perform their exams before the Easter holidays. This will take place online or in school depending on the situation, and I will keep students updated on this as we move forward.

I would like to thank you for your continued support of the Drama department through these times and should you have any queries or concerns, please do not hesitate to contact me.

Yours faithfully

Miss Kate Dolder
