Dear Parent/Carer

I hope this email finds you well.

As part of the teacher assessed grades, we are being asked to consider any extenuating circumstances that may have affected your child's progress.

Whilst you will be letting the school know about any general extenuating circumstances you wish us to be aware of, this form is specifically to do with their access to their instrumental lessons and also their access to their instrument.

We know that our peripatetic teachers at school have worked exceptionally hard to provide quality music provision to your child throughout the pandemic, but equally we know there may have been periods of time in which lessons were unable to take place. We also understand that in some cases, online lessons offered can be at a serious detriment to the quality of the music lessons and/or your child's engagement with those lessons.

We also know that only having access to, for example, an out of tune piano, will have affected your child's progress and so, therefore, we would like to be aware of this.

Please complete the form found [here](#) and if you have any questions, please do not hesitate to contact us.

Yours faithfully
