Dear Year 11 and Year 13 Students, Parents/Carers,

As we near the end of this half term, I thought I would write to confirm the end of term arrangements with you.

Before I do that, I would like to share with you how impressed we have all been with your continued effort and determination over recent weeks. It has continued to be a difficult and challenging time for all students in Year 11 and 13 as we navigate our way through the changing tides of Teacher Assessed Grading. Many of you are busy building your evidence files with your teachers and you will be asked to sign a declaration sheet to say that you are aware of which pieces of evidence are being used to contribute towards your grade in each subject. If you are completing a final assessment, this will automatically be considered and may contribute to your final evidence portfolio.
