Re: Futures Launch Presentation - Year 12

Dear Students and Parents/Carers,

We are excited to share with you our Virtual Futures Presentation - the first event in our Futures Programme. You can access the presentation by clicking on [this link](#) which will become available at 6pm.

This first presentation provides you with an overview of the UCAS process, information about apprenticeship programmes and explains how work experience will run for Year 12 students this year. We would strongly advise all Year 12 students and their parents/carers to watch this presentation.

Several things are referenced in the presentation that require you to access links and forms. Please feel free to look over [these slides](#) in order to allow you access to the links. Mr Curry also mentions the Degree Apprenticeships Presentation Talk which can be viewed by clicking [here](#). Further information regarding the Launch of our Futures Website, as well as Mr Curry's Work Experience Opportunities List and Google Form, will be sent to you within the next few weeks.

Finally, I would like to bring your attention, once again, to this important external event that is taking place in April:

- **UCAS Discovery Days - South East Event: 21-22 April 2021 (10am - 6pm)**

UCAS/Discovery Days are a series of online events designed to help students explore University options. Students will get to:

- explore and connect with over 100 UK universities
- explore different career opportunities
- find out about apprenticeships
- take part in live sessions and get their questions answered by the experts
- get practical help on personal statements, accommodation, student loans and more
- hear from current students
- join in live or browse on-demand

Tel: 01442 822303 Email: tringschool@tringschool.org www.tring.herts.sch.uk

This is an important event to help students research and explore course options. For students who are planning to apply to University, **participation in this event will be expected.** Students can book their place [here](#). In addition I would be grateful if students can complete the Google Form [here](#) which will give us useful information to allow us to provide tailored support through the UCAS application process.

Please do contact any of the key members of staff if you have any questions, going forward.

Yours faithfully

Emma Browne
Head of Year 12

Cait Beck
UCAS Coordinator

Chris Curry
Enhancement Leader
