10 September 2021

Dear Parents/Carers and Students

Year 12 Virtual Information Evening Wednesday 15 September 2020 - 6.00pm

On Wednesday 15 September at 6pm we are holding a Year 12 Virtual Information Evening in order to welcome parents and students to Tring School Sixth Form. This event will be streamed live on our YouTube channel through the following link: [Virtual Induction Evening](#)

The transition from Year 11 to Year 12 is a very significant one and students are provided with a higher level of challenge and opportunity than ever before, as they become young adults.

Whilst Post-16 education is a time when we expect students to become more independent learners, the successful and productive partnership between student, school and parents/carers remains a key factor in the success and wellbeing of each student. We are also acutely aware that students this year have had a longer gap than usual and therefore the return to the rigours of school life will be a challenge for some.

During the Information Evening we will share details of our tracking and monitoring systems, procedures within the Sixth Form and the extensive programme of support available to students.

We look forward to presenting to parents and students next week.

Yours faithfully

Mr Belony
Head of Year 12

Mrs Browne
Head of Year 13
