Dear Parent/Carer

As I am sure you are aware, students have completed 50% of their Travel course last year and these marks have been externally assessed and moderated. The remaining 50% of the student mark will be calculated from the unit 3 exam and unit 4 coursework which the students have been working on this year.

- We will be holding coursework sessions after school on Thursday 29 April and Friday 30 April for the students to complete their last outstanding sections of coursework.
- On Thursday 13 May at 3.15 pm the students will be completing an in class assessment for their examination unit (this is replacing the previously advertised session on 20 May)

Students can access revision resources for this exam through their class notes as well as our in school department website:

<https://sites.google.com/tringschool.org/travel-and-tourism-revision>

The final exam and coursework units contribute to the final 50% of the course marks. As always, we are here to fully support all students and if you have any questions regarding any of the information above, please do not hesitate to contact us.

Yours faithfully

Chris Lickfold
